

I have been tutoring at Toberman for several years now, working with kids in Bridges I and now Youth Services. This year has been the best so far - fun and satisfying to me as a teacher. Michelle has provided structure and consistent discipline for the 10-14 year-olds and this has made it possible to work closely with individual students in a quiet atmosphere where they can concentrate. I have seen a lot of improvement in the work of many of the students - I'm proud of them and they are proud of themselves!
