I like Toberman because
They help you with your homework
because if they don't help
you, you will never understand
it. I like computer lab because
you can go on your favorite
games. My favorite teacher is
Ms. Lawana, Mrs. Deddie. I like
the Gym because I get to
play handball. This is a safe place
because where ever you are
a staff is nice to be with you.
This place is part of my
heart. This place is funny because
people and teachers are funny.
I like this place because
we get to do activities.
