

## Toberman Times

### May 2018

#### **Community Outreach Day**

On Saturday, April 28 Toberman Neighborhood Center hosted its inaugural Community Outreach Day. This event not only helped bring awareness to TNC's mission, but also served as a reminder of the many valuable resources our community has access to. Attendees enjoyed food, games, music, prizes and in the midst of the festivities, TNC also took a moment to celebrate its 115th year of life changing service within the community.

Thank you to all the Toberman staff, volunteers and community partners who made this event a great success!

**Volunteer Opportunities Descriptions:**

**Toberman Academy After School Program:** Volunteers are

needed to provide academic support during our after school program for kids ages kindergarten through 8th grade.

**Enrichment Activities:** An enrichment activity that is fun and engaging for our kids is welcome. Activities such as, ballet classes, karate classes, Zumba for kids, creative science classes, knitting class, make a movie class, photography class, painting class, music class, board games are examples of an enrichment activity.

**Evening Meal Program:** An opportunity to serve a healthy well balanced warm evening meal to the after school program at 5 pm. The meals are prepared in advance and ready to serve at 5 pm. Space and tables are provided to serve the meal. Youth are served in a cafeteria style format. We encourage a balanced meal with a side of protein, salad, fruit, and water or juice. Dessert is always welcome. We have a kitchen but do not have a stove; therefore, the dinner cannot be prepared in the kitchen.

**Food Pantry:** Volunteers needed to assist in the pantry to sort and or pack meals during scheduled open hours.

**Thrift Store:** Volunteers needed to sort donations.

**Events:** Volunteers needed to set up, breakdown, greeters, food/beverage servers, registration, live auction runners, live auction spotters.

**Administrative:** Volunteers needed to assist with mailers as needed.

**Requirements:** Completion of volunteer paperwork, negative TB test results and live scan finger printing for individuals that would like to come on a continuous basis while assisting in our classrooms or during our enrichment activity time (TB test not required for high school student volunteers enrolled in LA Unified Schools).

## BOARD CORNER

The Board of Trustees have been busy this month at Toberman. Among the projects that are underway are Shoe Drive campaigns that trustees have designed with other groups that they know to help TNC achieve their Shoe Drive goal by May 31, 2018. Another project is the program evaluation of our after school program conducted by Program committee trustees and other professional community volunteers over the next month.

Chairman of the Board Patty Koester and Chairman Elect, George

Walker, and CEO Linda Matlock are TNC's team working with consultants David Greco and Syla Obagi with 4 other non-profits in a program called Think Money First! Intensive Coaching. Finally trustee Susan Owen attended the 2 days of workshops provided at Toberman consultants from Search Institute as step three on the Relationship Outcome Initiative (ROI), the three year research project that NCFL and Toberman are participating in together.

Finally, all of our trustees have been busy with committee meetings and other volunteering to support Toberman.
