

Supporting the Community During COVID-19

In this uncertain time there is one certainty, Toberman Neighborhood Center continues to bring life changing services to the community. We need your help to spread the word to those most in need of our services, donate food to the pantry, donate your time or make a [monetary donation](#) to ensure that our services will continue uninterrupted.

- **Food Pantry.** New and current clients may call Toberman to schedule at home delivery. Food is delivered to the doorstep to minimize the face to face contact. Donations are needed to fulfill the ever increasing demand for food!
- **Grab & Go Meals.** During the school year the children benefit from a hot meal each day before they go home. Every week day at 3:30 we are distributing meals to all community members. Volunteers are needed to distribute food.
- **Rent & Utilities Support.** Many people have been affected by furloughs and layoffs. Clients may apply for assistance to ensure they stay up to date with their rent and utilities. Your support will ensure that families will not be burdened with additional debt or the threat of eviction when this crisis ends
- **Monetary Support.** The economic impact has been staggering. Many people have lost their income and do not qualify for Unemployment or General Support. We will provide direct financial assistance for families experiencing extreme financial hardship.
